\* Typical repair costs based on labor and parts for these covered items.

\*\* Subject to parts availability. Not all parts are covered.

† To receive coverage, a separate contract must be purchased for each appliance of the same type (e.g., two refrigerators). You'll receive 10% off each contract ordered when you have three or more WorryFree Contracts in effect. Some restrictions apply. Detailed terms and conditions are available upon request. Heat pumps/microwaves are NOT covered. Prices are subject to change without notice. Preexisting defects are not covered. PSE&G WorryFree Services are only available to customers located in PSE&G's service territory. Similar services can be provided by service companies other than PSE&G. A list of those service companies may be available from public listings, including telephone directories. Special note: WorryFree Contracts do not provide for gas emergency service. If you detect a gas odor, have a gas appliance that will not shut off, or have a carbon monoxide concern, contact your local gas utility.

\*\* Response times will vary by seasonal demands and by the nature of the problem. Contracts do not provide priority service, regular maintenance, a guaranteed response time, or annual inspections.

• Premier heating contracts only cover gas hot water boilers. Steam boilers are excluded.

\*\* An elite brand kitchen appliance can only be covered under a WorryFree Elite Brand contract. For a list of elite brands, and to enroll, call 1-800-350-PSEG (7734).

I would like additional WorryFree Contracts for the appliances checked below.<sup>†</sup>

| Individual WorryFree Contracts   | Regular Monthly Price <sup>†</sup> |
|--|------------------------------------|
