

What would you do in a water service line emergency?

The illustration below shows where things are likely to go wrong with your water service line — and how much a licensed and insured contractor would typically charge customers who don't have LeakGuard® coverage. How would you cope if it happened to you? Renew your LeakGuard® coverage and you can rest assured that you will be covered in an emergency. You will benefit from an emergency response and you'll have no bill to pay!

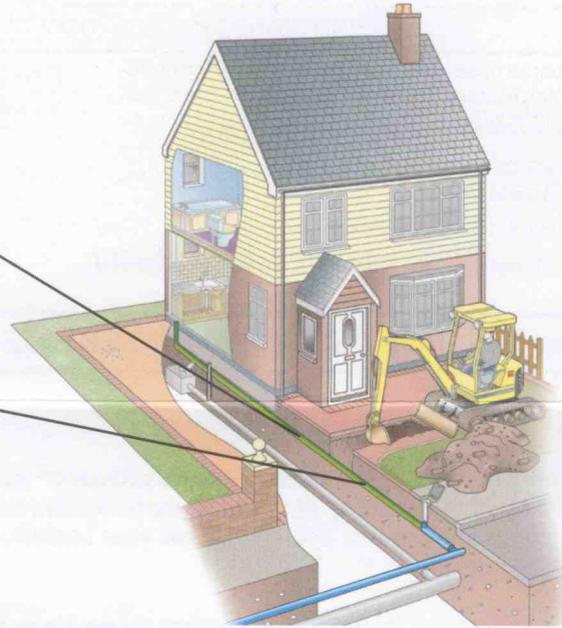

Locate, excavate & repair leak **\$1,485**

How your water service line can burst:

Abrasion or Corrosion due to the age of your service line.

Breakdowns arising from everyday activities such as gardening.

Structural Movement in the soil, often due to traffic or tree roots.
